About the Performance Groups

This is your opportunity to participate in a dance performance group at Queensland's flagship event, the Jacqueline Morland Awards 2023.

Held annually in Brisbane, and open to RAD students across QLD and northern NSW, the Jacqueline Morland Awards are an opportunity for students to showcase their skills, and perform in front of a live audience and a panel of highly respected adjudicators

For those who don't want to participate in the competition, the Dance Performance Groups are an excellent opportunity for students to be involved - learn a dance routine with 12 hours of tuition, and then perform the routine in front of a live audience of family and friends, at the Awards event.
